In re Application of

Douglas Andrew Levin et al

Application No. 10/728,173

Filed: December 4, 2003

Attorney Docket No. DUC-002

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed January 7, 2010, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of January 23, 2009. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that prima facie places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). No extension of time pursuant to the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the date of abandonment of this application is April 24, 2009.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$810 and the submission required by 37 CFR 1.114; (2) the petition fee of \$1620; and (3) a proper statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3210.

This application is being referred to Technology Center AU 3685 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment filed January 7, 2010 submitted in accordance with 37 CFR 1.114.
